#Guitargonaut

Guitargonaut: Underground Rock Adventures

by Sluggo Cawley

Guitargonaut (gĭ-tär'gə-nôt)

An adventurer engaged in a quest. With a guitar. And a constantly evolving idea of how to play it.

Sluggo started rock bands and toured the world for four decades; 1980-2020.

These are stories of what he found out there.

Each chapter mostly revolves around individual gigs, with a couple notable exceptions.

Some exceptions are chapters about his friendships with: Nirvana (1989-1990) with many previously unseen photographs Elliott Smith (1993-2000) with unpublished photographs During the time he toured, Sluggo and his wife lost their home.

They became parents, one child became quite ill.

Many of these stories predate GPS and cell phones.

This book contains hundreds of photos, flyers & rock ephemera embedded in every chapter.

In the end, it's a book about people, community and, well, love.

Sluggo Cawley Lives in Oakland, California with his wife, their two sons and two cats. He's been playing in rock bands since 1980.
